

UTKU ALI RIZA ALPAYDIN, Advisor

University
of Stavanger

Mission-oriented research for societal challenges

UiS Strategy 2030

UiS Strategy 2030

- We will be an open and innovative university that demonstrates a high quality of education, research and artistic development work.
- Our common direction will be guided by the responsibility for sustainable transition.
- We will be characterised by a high level of well-being among students and staff.
- Energy, health and welfare and learning for life constitute our areas of priority.
